Technology Leasing

***Work with a financial source
who understands your business.***

Since 1973, **Data Sales** has delivered customized, financial alternatives for a wide range of technology needs: computers, networking equipment, telephones, routers and servers.

A Financial Alternative

Data Sales possesses significant financial resources and experience to help with cost-effective funding, portfolio services, asset management and **a partnership commitment to your success**. We are a leading non-bank provider of funding and operational support for companies and brokers.

Customized Approach

Only a **technology lessor** with years of IT experience can provide our approach to equipment financing by:

- price checking equipment,
- ensuring that our customers are buying at market pricing, and
- supplying new and refurbished equipment at competitive prices.

Our financing offers flexibility: varying term lengths, upgrade features, and price points.

In today's competitive markets, companies must utilize capital wisely. Preserve cash flow by working with **Data Sales**. We customize creative financial alternatives to ownership.

Call today.

The logo for Data Sales Co. features the company name in a blue, italicized serif font. A thick, dark blue curved line arches over the text, starting from the left and ending on the right, framing the name.
