

Parts

Parts for IBM, STK, HP and Dell products available 24/7/365

When a vital component of a company's business technology infrastructure fails, full replacement isn't always the best option. And sometimes, it isn't an option at all. In situations like this, you don't have time to conduct an extensive search – you need an immediate solution. That's where Parts from Data Sales Co. come in.

Since 1973, we've maintained one of the nation's largest inventories of replacement parts for a variety of business technology hardware types and brands. Our experienced staff will work with you to get the exact part you need and deliver it to you ASAP. The combination of availability, expertise and fast turnaround makes Data Sales Co. your best source for solutions, every time.
